Examiner's Statement of Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance: The claimed "determination routine" which determines whether a performer who performs a song selected by a user for playback corresponds to any performers participating in at least one upcoming artistic event, as presented in the claimed jukebox system, is found to be novel over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
